Official Paper of Cochise Co.

THURSDAY, SEPTEMBER 14, 1899.

GREAT BRITAIN and the Boers have not yet come to blows. England's greed may yet be overcome by reason of President Kruger's determination to stand on his rights.

BEFORE the bar of public opinion France and not Dreyfus has been found guilty. Time will impose a penalty commensurate with the crime of convicting an innocent man with perjured testimony.

THE Solomonville Bulletin will issue in December next an illustrated edition that is intended to excel all former efforts of that paper. The work of gathering data for descriptive articles on every industry and every section of Graham county has been commenced. Editor Kelly says that to produce such a publication will cost not less than \$1,000 in cash.

ANALOGIES of the unprecedented demand for iron and steel in this country, is the claim the degree of a nation's civilization and enlightenment may be gauged by its consumption of iron. According to this rule, the United States ranks foremost. Statistics show that for every baby and adult in the land there is annual consumption of 400 pounds of iron; fifty years ago the consumption was only 100 pounds.

SOME of the papers spell it "Cochise" and some "Cachise." The reporters who have been in the country long have adopted the spelling of the name as it is pronounced—"Cochise." The government maps use the other way, but that cuts little figure in Arizona. It will be Cochise as long as Arizona is inhabited by Arizonians. The name comes from the Chiricahua Apaches, one of their chiefs having been known as Cochise.

THE Chicago Tribune has discovered that a man can support a wife and family on \$15 a week, and then proceeds to show how it was done, says the Springfield, Illinois News. We hardly see how the Tribune can claim a scoop on this bit of information. If it will explain how some people get married on nothing and afterward live in comfort on no more it will solve what has always been to us a double-acting, single jointed puzzle.

THERE is no other man living whose opinions will weigh so heavily in the scale as Dewey's, in the discussion of the Philippine problem. So, when he says the Filipinos are more capable of self government than the Cubans, people will be inclined to attach great importance to his view. The intention of the administration is to establish a native government in the Philippines as soon as the natives acknowledge American supremacy and give us a chance to spend a little time arranging governmental matters, instead of shooting and otherwise punishing those who would murder our soldiers. The Filipinos opened the attack. They must sue for peace, not we.

YOUR FACE.

Shows the state of your feelings and the state of your health, as well. Impure blood makes itself apparent in a pale and sallow complexion, Pimples and Skin Eruptions. If you are feeling weak and worn out and do not have a healthy appearance you should try Acker's Blood Elixir. It cures all blood diseases where cheap Sarsaparillas and so called purgers fail; knowing this we sell every bottle on a positive guarantee. For sale at Bisbee Drug Store.

O K Livery Stable will be restocked with a complete line of new buggies, surreys, carriages, buckboards, mountain spring wagons, traps, everything to make a first class livery stable, in a few days.

A Word to Mothers.

Mothers of children affected with croup or a severe cold need not hesitate to administer Chamberlain's Cough Remedy. It contains no opiate nor narcotic in any form and may be given as confidently to the babe as to an adult. The great success that has attended its use in the treatment of colds and croup has won for it the approval and praise it has received throughout the United States and in many foreign lands. For sale by all Druggists.

## Sacrificed to Blood Poison.

Those who have never had Blood Poison can not know what a desperate condition it can produce. This terrible disease which the doctors are totally unable to cure, is communicated from one generation to another, inflicting its taint upon countless innocent ones.

Some years ago I was inoculated with poison by a nurse who infected my babe with blood taint. The little one was unequal to the struggle and its life was yielded up to the fearful poison. For six long years I suffered untold misery. I was covered with sores and ulcers from head to foot, and no language can express my feelings of woe during those long years. I had the best medical treatment. Several physicians successively treated me, but all to no purpose. The mercury and potash seemed to add fuel to the awful flame which was devouring me. I was advised by friends who had seen wonderful cures made by it, to try Swift's Specific. We got two bottles, and I felt hope again revive in my breast. The health and happiness again. Improved from the start, and a complete and perfect cure was the result. S. S. S. is the only blood remedy which reaches desperate cases.

Of the many blood remedies, S. S. S. is the only one which can reach deep-seated, violent cases. It never fails to cure perfectly and permanently the most desperate cases which are beyond the reach of other remedies.

## S. S. S. For the Blood

IS PURELY VEGETABLE, and is the only blood remedy guaranteed to contain no mercury, potash, or other mineral. Valuable books mailed free by Swift Specific Company, Atlanta, Georgia.
